

Lakeview Farmers' Market

Frequently Asked Questions

1. What time does the market start?

The market starts at 10:00 am. While we appreciate the early market goers, we cannot open before 10:00 am. Many farm vendors travel a considerable distance to be at our market. We like to give them a bit of extra time on Sundays to get ready to serve you.

2. Can I purchase items directly from the farm vendors at the market?

Yes, you can.

3. Can I purchase my produce online?

The online ordering is set-up for your convenience to ensure your items are ready on your arrival at the market.

4. Can I bring my dog to the market?

Yes, dogs are allowed at the market, please keep them on a leash and safely away from vendor stalls. A dog watering station is provided for your pooch.

5. Where can I park?

FREE parking is available in the parking lot at 1352 Lakeshore Rd. E, just east of the Small Arms Inspection Building. Enter at Lakeshore Rd. and Dixie Road.

There is a separate entrance and exit to the market. Enter at Dixie Rd and Lakeshore Rd. (at the lights). Exit the market at the north-east corner of the parking lot. Use **caution** when you exit the lot. Watch for pedestrians and cyclist along Lakeshore Rd. Volunteer parking attendants are onsite to lend a hand.

6. Do you have a bicycle rack for my bicycle?

Yes, bicycle racks are located onsite. Please ensure you lock and secure your bicycle. It is an unsupervised area and we cannot be responsible for lost or stolen items.

7. Can I walk my bicycle through the market?

Yes, you are required to dismount from your bicycle. Please remain a safe distance for the safety of you and others.

8. Are there washrooms on-site?

Outdoor washroom facilities on-site are very limited, plan accordingly.
