About our Event

A Craft Beer Festival focused on the craft, small scale breweries, the arts, heritage, and community.

CreativeHub 1352 is proud to present Mississauga's third annual Creative Craft Beer Festival, June 14th and 15th, 2024.

Creative Craft will bring people together for two days of great beers, ciders, food, and entertainment in one of the GTA's most interesting historical venues, the Small Arms Inspection Building, a relic of WWII.

Through the selection of 7 food vendors, we are hoping to curate a food and snack experience for guests that is complementary to their beer-tasting experience. We are seeking a variety of vendors that are able to offer hand-held, savoury or sweet menu items (including taster/sample sizes and larger format items) that can meet a range of preferences.

Session Times:

Friday, June 14th, 6pm-11pm

Saturday, June 15th, 12pm-5pm

Saturday, June 15th, 6pm-11pm

Who we are:

CreativeHub 1352 is a non-profit, charitable, community-driven organization that brings creative people together and strengthens community cultural development. Working with community partners, The Hub fosters year-round creative multi-disciplinary programming spanning the arts, culture, heritage, and environmental sciences. We're a key tenant at the Small Arms Inspection Building, owned by the City of Mississauga. All proceeds are reinvested into programs and services that our organization delivers to better the community.

Only now in its 3rd year of operation, it's important for us to make sure the Mississauga Creative Craft Beer Festival is a successful win for both our vendors and for our community members. As a charitable non-profit organization, part of CreativeHub's mission statement is to provide opportunities to vendors, small businesses, and community members through meaningful programming. We look forward to growing this event with you!
