## LAKEVIEW FARMERS' & ARTISAN MARKET BUSKER APPLICATION FORM

CreativeHub 1352 is inviting buskers to apply to perform at the Lakeview Farmers' and Artisan Market. The Market is a vibrant place to spend the afternoon; with great fresh produce, food products, and handcrafted artisanal goods, and is greatly amplified against the backdrop of musicians and entertainers. A great spot for local publicity, during the 2021 season we have had on average 1400 marketgoers!

The Lakeview Farmers' and Artisan Market Committees are looking for buskers whose music will be complementary to an outdoor market. **We are looking in particular for acoustic, easy-listening music from local Mississauga-based musicians and performers at this time.** The music should be a background sound for passersby to enjoy, allowing our vendors to communicate with their customers, and our residents to chat with each other.

Presently held outdoors at the Small Arms' Inspection Building (1352 Lakeshore Rd. E, Mississauga), the Lakeview Farmers' Market is situated in the parking lot, and the Artisan Market on the front lawn of the venue. The Market has two performance areas: one at the Artisan Market, and another at the Farmers' Market.

### Busker Rules

- Only approved buskers can perform at the Market.
- All Buskers are responsible for adhering to all Federal, Provincial and City regulations, laws, and guidelines.
- Amplification of instruments or voices is allowed only at the discretion of the Market Manager. Amplification needs to be kept to a minimum to not impede on the business transaction of neighbouring vendors.
- Buskers must be courteous to adjacent vendors and the performance must not impede market traffic flow.
- Buskers can collect tips. Performers cannot ask for money or require payment, but may place a donation basket in one location; it cannot be passed around.
- Buskers are permitted CD/album sales, other sales may be permitted as decided by Market staff.
- Buskers must notify the Market Manager of a cancellation at least 48 hours ahead of time, allowing time to notify another busker of an available opening. Repeated last-minute cancellations may result in future time slots being revoked.
- Buskers are permitted at predetermined locations only. These locations will be determined by the Market Manager and will be indicated to the performers prior to their performance.
- Buskers are required to check in with the Market Manager (or other designated individual) on the day of performance.
- Buskers are responsible for providing their stands and other needed materials. A limited number of chairs can be provided. We encourage buskers to bring a tent (if they have one) in case of poor weather.

### Market Dates

**Lakeview Farmers' Market:** Sundays from May 30-Oct 10th, 2021, from 10am-2pm

**Lakeview Artisan Market:** Aug 15 & 29, Sept 12 & 26, Oct 3, 2021, from 10am-2pm
